

The "Do Something Acts of Kindness and Justice Challenge"
In honor of Dr. Martin Luther King Day
New Haven Public Schools
January 9 – 30, 2024

For a two week period in the month of January, students will record Acts of Kindness, (helping others) and Justice (standing up for what is right) to follow the dream of Dr. Martin Luther King Jr. Students will submit responses to teachers who will then post each creating a visual of the issues that are most important them.

The goal is to empower our students with self-confidence, leadership skills and inspiration to become good citizens!
