and Justice Challenge"  
In honor of Dr. Martin Luther King Day  
New Haven Public Schools  
January 13th to Feb 3, 2025**

**For a two week period in the month of January, students will record Acts of Kindness, (helping others) and Justice (standing up for what is right) to follow the dream of Dr. Martin Luther King Jr. Students will submit responses to teachers who will then post each creating a visual of the issues that are most important them.**

**The goal is to empower our students with self-confidence, leadership skills and inspiration to become good citizens!**

*January 20, 2025 will mark the 30th anniversary of a National Day of Service dedicated to citizen's action and volunteerism honoring Dr. King's Legacy.
